Efenesh is 22 years old and Neftalem is her only child. She has completed 8th grade which means she has more education than many of the mothers in the project, but still not enough to get a good job. She has a petty trading job where she sells vegetables. She earns 1,300 ETB (\$61 USD) per month. Her rent is 600 ETB (\$29 USD) per month so, she lives with 3 other people who she shares the rent with.
