Addis is 30 years old and she has 3 other children in addition to Habiba. Addis has never gotten any education and is illiterate. This greatly limits her earning capacity. She currently is washing clothing and baking injera for a living. This work provides her with 1,200 ETB (\$57 USD) per month to try take care of all 5 of their needs, which leaves them hungry and suffering. She pays 500 ETB (\$24 USD) per month in rent for a small room for all of them.
