Mitke is 27 years old and Edelawit is her only child. She has never had any formal education and therefore is illiterate, leaving her with limited work options. She currently is washing clothing and baking injera, work that allows her to take Edelawit with her, but work that provides her with only 600 ETB (\$29 USD) per month. From this amount she pays 300 ETB (\$15 USD) per month in rent. She lives with 2 others to share the rent expense, but still does not have enough to survive monthly.
