Mother's Story

Worknesh is 25 years old and Bisrat is her only child. She has never had any formal education and therefore is illiterate, limiting her employment options. She currently is working as a day laborer and making traditional handicrafts. Her salary from this work is 800 ETB (\$38 USD) per month. She is paying \$29 USD per month in rent, leaving her with next to nothing to live off of. Now, with Bisrat in Day Care, she will be free to work more and find better work.
