Mother's Story

ebider is 28 years old and has one other daughter in addition to Bereket. She completed the 8th grade, but that level of education provides her with few opportunities. Currently she is working as a daily laborer when she is able because of caring for Bereket. Her income is 800 ETB (\$38 USD) per month, but her rent is 600 ETB (\$29 USD), leaving her with very little to live off of monthly.
