### *Mother's Story*

Birtukan is 22 years old and Yared is her only child. She went to school until Grade 8. While she is more educated than many other Moms, she still has few opportunities. She currently takes Yared with her to wash clothing and to bake injera for a living. Her salary is only 300 ETB (\$14 USD), but fortunately others help her to pay the 600 ETB (\$28) that her rent costs her per month.
