Mother's Story

5 fs is 30 years old and she has one older daughter in addition to Adisu. She has never had any formal education and therefore is illiterate. She currently is working washing clothing and baking injera sometimes, but much of the time she is begging by the roadside with Adisu. Her monthly income is 800 ETB (\$38 USD) and her house rent is 450 ETB (\$20). Fortunately, she has others living with her who help to pay for her rent.
