ANDUALEM አንዲአሊም

and his mother YESHI የሽ

Yeshi's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Yeshi and her son Andualem. Yeshi is currently collecting debris and recyclables in the land fill area that can be resold to a middle man. This is difficult work and an unhealthy environment to bring your child into everyday.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Yeshi to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Male

Andualem's DOB:01/05/2010 or by the Ethiopian calendar 27 Tahasas 2002.

Andualem will soon turn 3 years old.

Yeshi is 25 years old. She did not attend formal education and therefore is unable to neither read nor write. This lack of education leaves her with limited opportunities.

They live in a small one room mud house with a tin roof. For this house she pays 260ETB (\$14USD) per month in rent.

Andualem's father left the family and went to a place that is unknown by his mother. In doing so, he left Yeshi to try to provide on her own.

Yeshi has been courageous enough to find work, even if it is scavenging in the garbage in hopes of providing for her family.

Bifaye is originally from Wollo in the Amhara Region, Northern Ethiopia.

Religion: Ethiopian Orthodox
