Banchayehu's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced. Your partnership would make a difference for Banchayehu and her son Bruk. Until coming into the project, Banchayehu has been working washing clothing door to door in the community as well as baking injera. She does this work while also needing to care for her son Bruk, since she is a single mother. As you would expect, this is difficult.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Banchayehu to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Male

Bruk's DOB: 10/1/2011 or by the Ethiopian calendar 20 Meskerem 2004.

Bruk recently turned 1 year old!

Banchayehu is 25 years old. She attended school and completed the 8th Grade. This makes her among some of the more educated mothers that we serve. However, the opportunities available to her with this education are still limited.

Because she has been having many difficulties, she has had to rely on others in the area to help provide for her needs. She currently has shelter because of the kindness of some people in the community who are helping her.

Banchayehu became pregnant before getting married. The father has not taken any responsibility for Bruk.

Banchayehu is originally from Gonder in the Amhara Region of Northern Ethiopia.

Religion: Ethiopian Orthodox.
