DAGIM ዳገም and his mother
KEMELA ክሜላ

Kemela's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Kemela and her son Dagim. Until coming into the project, Kemela has been working washing clothing door to door in the community. She does this work while also needing to care for her son Dagim, since she is a single mother. As you would expect, this is a difficult task.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Kemela to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Male

Dagim's DOB:5/4/2010 or by the Ethiopian calendar 6 Genbot 2002.

Dagim is 2 ½ years old.

Kemela is 25 years old. She never had the opportunity to attend school and therefore can neither read nor write, leaving her with limited opportunities.

She is currently living in a small one room house with mud walls and a tin roof. She pays 200 ETB (\$11 USD) per month in rent.

Kemela is divorced from her husband. She left her husband approximately 3 years ago, while still pregnant with Dagim, because he was drinking too much. This is a difficult choice for a mom in her position.

During a recent home visit it was found that Kemela's only real possessions are a bed and some materials to cook with. She is among the poorest of the poor. Kemela is originally from Woyra in the Southern Region of Ethiopia.

Religion: Ethiopian Orthodox.
