SISAY ሲሳይ

Sisay's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Sisay and her son Dagmawi. Until coming into the project, Sisay has been working a job as a cleaner in a local private college named St. Mary's. However, this job is made difficult because of being the sole caregiver for Dagmawi as well as her illness.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Sisay to work. Together we can partner with her in seeing hope embraced in all of life.
