PARTNER IN
HOPE
BEING
EMBRACED
IN ALL OF
LIFE

Partner in seeing hope embraced.

Your partnership would make a difference for Ejigayuhu and her son Eyob. Ejigayuhu has recently been trying to wash clothing as well as bake injera to try to make enough money for the family to survive.

However, this has been very difficult with a 6 month old baby, as you can imagine.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Ejigayuhu to work. Together we can partner with her in seeing hope embraced in all of life.

Ejigayuhu's Family would benefit from a Family Sponsorship

Background:

Sex: Male

Eyob's DOB:05/01/2012 or by the Ethiopian calendar 23 Miyaziya 2004.

Eyob just turned 6 months old.

Ejigayuhu is 36 years old. She has a basic 2nd grade education, but that is all. This limits the opportunities that are available to her.

She is living in a small one room mud and tin house. Others have been helping her to have a roof over her head.

During a recent home visit to the home, it was found that Ejigayuhu has no household possessions at all. She is the poorest of the poor.

Eyob's father abandoned the family and left Ejigayuhu alone

to care for the needs of the family. This is a struggle for a mom to work washing and baking while having a young baby.

Lakech is originally from Merhabate, Amhara Region in Northern Ethiopia.

Religion: Ethiopian Orthodox.
