PARTNER IN  
HOPE  
BEING  
EMBRACED  
IN ALL OF  
LIFE

**FIKADU** ቆካዱ and his  
mother **GETU** ጌቱ

## Getu's Family would benefit from a Family Sponsorship

### Partner in seeing hope embraced.

Your partnership would make a difference for Getu and her son Fikadu. Getu is currently working as a guard to try to provide for the family. However, she is ill and this makes it difficult for her to work, be well and care for her child all at the same time. Fortunately she is receiving treatment for her illness.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Getu to work. Together we can partner with her in seeing hope embraced in all of life.

### Background:

Sex: Male

Fikadu's DOB: 12/04/09 or by the Ethiopian calendar 25 Hedar 2002.

Fikadu will soon be 3 years old.

Getu is 30 years old. She has never had formal education and therefore is unable to read nor write. This lack of education leaves her with limited opportunities.

Getu has a serious health issue that leaves her in a difficult situation, even though she is receiving treatment for it. She also only has sight in one eye,

again which limits her opportunities.

Fikdadu's father is no longer in the picture, which leaves Getu as the sole provider for the family.
