KIDIST ቅድስት and her mother
GADISI ገዳሲ.

Gadisi's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Gadisi and her daughter Kidist. Up until coming into the project, Gadisi has been begging along the roadside with Kidist to try to provide for the family. For a day's worth of begging they have been receiving an average of 5 ETB (28 cents US) The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Female

Kidist's DOB: 2/15/2012 or by the Ethiopian calendar 7 Yekatit 2004.

Kidist is 8 months old..

Gadisi is 20 years old. Like many of the moms in the project, she never had much of a chance to get an education and therefore only completed the 3rd Grade.

Gadisi and Kidist are currently living with friends, so they do not have to pay rent now. It would be impossible for her to rent a room of her own on the 5 ETB per day she is making. They cannot even eat on that.

Gadisi's pregnancy with Kidist

was the result of a tragic event that occurred while she was working as a house worker for someone.

Gadisi is originally from Wolega in the Southern Region of Ethiopia..

Religion: Ethiopian Orthodox
