ADDIS AGAFARI አዲስ አጋፋሪ

Addis Agafari's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Addis Agafari and her daughter Marta. Addis Agafari has been sewing handicrafts to try to provide for her family. However, in most cases it is a job that mothers are taken advantage of in as they are paid so little.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Addis Agafari to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Female

Marta's DOB:06/25/2011 or by the Ethiopian calendar 18 Seune 2003.

Marta is 1 year old.

Addis Agafari is 28 years old. She has completed 5th Grade. Because of her lack of education, it has restricted the opportunities available to her.

She is living with Marta in a small one room mud and tin house which she pays 450 ETB (\$28 USD) per month in rent for. House rent is becoming increasingly unaffordable in the area, and especially for mothers like Addis.

Marta's father abandoned the family along the way and went to live in an unknown place.

Addis had to have her one leg amputated and now wears a prosthesis and walks with a crutch.

Addis Agafari is originally from Dejen, Amhara Region in Northern Ethiopia.

Religion: Ethiopian Orthodox.
