## Emebate's Family would benefit from a Family Sponsorship

### Partner in seeing hope embraced.

Your partnership would make a difference for Emebate and her daughter Mekdeawit. Up until coming into the project, Emebate has been washing clothing part time to try to provide for the family, however it is very difficult to do this work with an almost 2 year old strapped to you. The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family. Together we can partner with her in seeing hope embraced in all of life.

Sex: Female

Mekdelawit's DOB: 11/5/2010 or by the Ethiopian calendar 15 Ter 2002.

Mekdelawit will be 2 years old in a few days.

Emebate is 30 years old. She completed the 8th grade which means that she has a much higher education than many of the mothers in the project.
