MERON ሜሮን and her mother
EMEBATE አመቤት

Emebate's Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Emebate and her daughter Meron. Until coming into the project, Emebate has been working washing clothing as well as baking injera. She does this work while also needing to care for her daughter Meron. As you would expect, this is a difficult task.

The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Emebate to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Female

Meron's DOB: 2/16/2010 or by the Ethiopian calendar 9 Yekatit 2002.

Meron is 2 ½ years old.

Emebate is 25 years old. She attended school until the 6th Grade, which is much longer than many mothers in the project. However, this still leaves her with limited opportunities.

She is currently living in a small one room house with mud walls and a tin roof. She pays 250 ETB (\$14 USD) per month in rent.

Emebate is divorced from her husband. She left her husband because he was drinking too much. This is a difficult choice for a mom in her position.

Meron came to us with some classic symptoms of malnutrition. We will be working with her and her mom to see them become healthy.

Emebate is originally from Wollo in the Amhara Region of Northern Ethiopia.

Religion: Ethiopian Orthodox.
