and her mom

TIGIST ትግስት

Nardos' Family would benefit from a Family Sponsorship

Partner in seeing hope embraced.

Your partnership would make a difference for Tigist and her daughter Nardos. Tigist, like many moms in the project, has been making a living by washing clothing door to door with Nardos with her. This job will not provide a sustainable existence for the family. The \$136 per month will provide day care, nutrition, hygiene, healthcare and housing for the family, while also freeing Aster to work. Together we can partner with her in seeing hope embraced in all of life.

Background:

Sex: Female

Nardos' DOB: 09/24/2009 or by the Ethiopian Calendar 14 Meskerem 2002.

Nardos is now 2 years old.

Tigist is 22 years old. She completed 5th Grade, so she is at a disadvantage when it comes to employment.

Tigist and Nardos live in a one room mud and tin house which they pay 250 ETB (\$15 USD) per month in rent for.

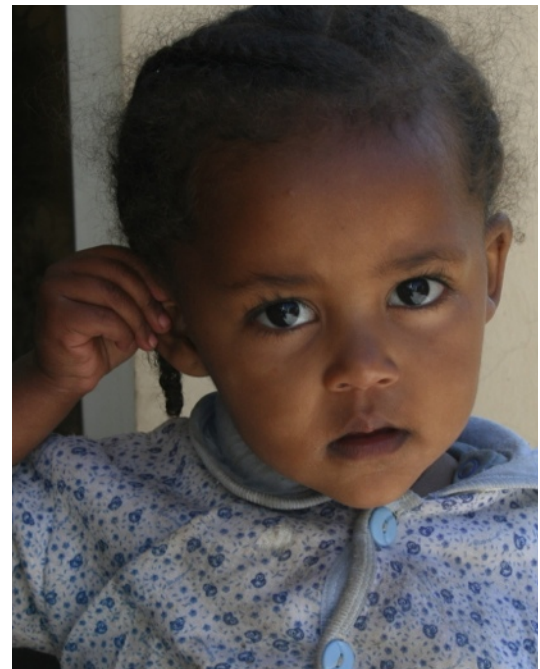

Tigist did not intend to get pregnant, but rather became pregnant through a tragic event.

Until recently Tigist has been washing clothing door to door in order to try to provide for herself and Nardos. For this work she was making 350 ETB (\$20 USD) or less per month.

However, she recently developed an allergic reaction to soap and has not been able to work for 15 days.

Tigist is originally from Gojam, Amhara Region, Northern Ethiopia.

Religion: Ethiopian Orthodox
