PARTNER IN  
HOPE  
BEING  
EMBRACED  
IN ALL OF  
LIFE

**RISHAN ሪሻን** and her 2½ year old  
daughter **FURTUNA ፋርቲና**

## Rishan's Family would benefit from a Family Sponsorship

**Partner in seeing hope embraced.** Your partnership would make a difference in the life of Rishan and her daughter, Furtuna and her baby that is on the way. The \$136 per month will go to provide day care, nutrition, hygiene, healthcare and housing for the family. In addition it will free up Rishan after the baby is born to receive job training and find work that can make a sustainable living, thus helping her to embrace hope in all of life.

### Background:

Furtuna's DOB: 09/05/2008

Rishan is 40 years old

Has been widowed twice, most recently 2 years ago

Furtuna has some health issues which were locally diagnosed as autism, but more likely is Down's Syndrome. She also is partially partially paralyzed in 1 leg, therefore, she has not started crawling. Part of her sponsorship will be receiving more thorough treatment.

Both Rishan & Furtuna are full of life & full of incredible joy.

They have no material possessions and are living with a friend.

Rishan has been unable to work since giving birth to Furtuna because of Furtuna's condition which requires her attention.

Rishan is currently 6 months pregnant, but has experienced complications for the past 3 months.

Many times there is not enough food in their household & must rely on the generosity of others to eat.
