

CHURCH PARTNERSHIPS

Your Church can help prevent orphans, preserve families and partner in hope among the poorest of the poor in Addis Ababa, Ethiopia.

Here's a way to make a difference in the lives of impoverished families with young children living in the Kore' slum area of Addis Ababa, Ethiopia, while demonstrating Jesus' love in Word & Deed.

What are we asking for?

1. Commit to your church (or members of your congregation to fully sponsor at least 3 EHE Families. Each family is made up of 4 sponsorship slots of \$34 each or a total of \$136 per family per month.
2. Commit to praying on a regular basis for families and EHE staff & sending encouragement.
3. Commit to sending representatives from your church to Ethiopia to visit the work every 2 years.

We also make commitments to your church...

1. To give you the tools to help raise awareness within your congregation. We can even provide fair trade goods made by EHE Moms to be sold in your church to help raise awareness while supporting EHE moms.
2. To communicate in a transparent way on a regular basis with your congregation.
3. To help raise awareness of the complexity of poverty and a call to respond with justice and mercy in action in Jesus' name. One tool we use here is a yearly Advent devotional that we publish.
4. To help facilitate your members' time in Ethiopia when they are able to travel to visit the work here.

We'd love to talk to you about getting your church involved. Contact Jerry at jerry@EmbracingHopeEthiopia.com . As a former pastor, he loves talking about ways to see local churches mobilized in mission!
